P.B. Bell Raises \$8,200 For Local Charity Treasure House
Family-Owned Multifamily Real Estate Firm Raises Funds for Supportive Living Community

SCOTTSDALE, Ariz. (Dec. 23, 2019) – Scottsdale-based multifamily development, acquisition and management company, P.B. Bell, raised \$8,200 for local charity Treasure House, a supportive living community for young adults with intellectual and developmental disabilities.

The funds for Treasure House were raised at P.B. Bell’s annual holiday event through fundraising efforts by the P.B. Bell holiday committee. Many generous vendors and businesses provided a variety of items to be raffled off to employees who purchased tickets during the event. P.B. Bell raised more money for charity during the event this year than ever before.

The items auctioned off included electronics like televisions and Apple watches, sporting event tickets and autographed player memorabilia, staycations, airline tickets, Disneyland and Universal Studios passes, gift cards for dining, shopping and entertainment, and much more.

“We always strive to give back to the community in any way we can, both during this giving season as well as all year round,” said R. Chapin Bell, CEO and president of P.B. Bell. “We are incredibly grateful to have such a devoted team that continues to propel both our mission and core values forward everyday. Our employees’ determination and goodwill are the reason we are able to give back to others in such big ways.”
