“It’s a great honor to be recognized by such a reputable accreditation such as Swift Bunny, but we couldn’t have done it without our employees,” said R. Chapin Bell, CEO of P.B. Bell. “For the last 45 years, our employees have experienced a company culture that has been defined by our four core values - Get Creative, Act With Integrity, Be Accountable, and Show You Care - and we believe it’s what sets us apart. We’re very thankful for this opportunity to be included in this list, thank you!”

Said [Tammy Chivers Baker](#), Swift Bunny’s Chief Product Officer, “We’re headed into a New Year with a lot of uncertainty. But here’s what we can all be sure of: the most urgent concern for

rental housing providers is the stability of their teams. Apartment communities simply can't deliver on their service commitments to residents and prospects when they are short-staffed or when teams are inexperienced or disenfranchised. As an Employee Choice Award winner, P.B. Bell has an undeniable competitive advantage. I look forward to watching their continued success in 2022."
